

GRIPPLE FASTENERS AND KITS

FEATURES AND BENEFITS

- 5:1 Safety Factor
- Strong
- Safe
- Industry Approved
- Lightweight
- Pre-Looped & Crimped Cable End

Gripple Fastener Kits are versatile hangers that are up to 6 times faster to install than traditional hanging systems and are aesthetically discreet. Each kit consists of a 10' cable with 1 pre-looped and crimped end, along with a Gripple fastener. The pre-looped end requires only 1 fastener to be used and saves time on the jobsite.
