

## LASERS

Lasers are time-proven labor savers. In use for many years, Lasers are made with a standard hex washer head with undercut and have non-walking twinfast threads terminate in a super sharp point that easily penetrates two pieces of 22 gauge metal.

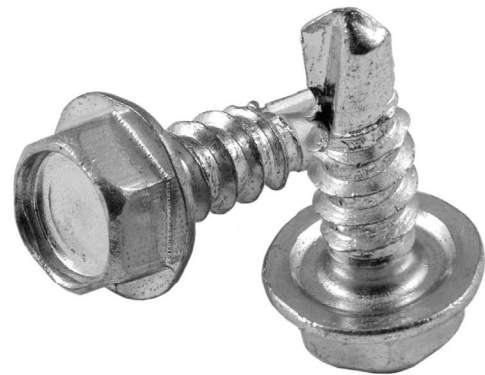

PART #	PRODUCT DESCRIPTION
308183	1 Case w/ (1,000) #8 x 1/2" Screws
309597	1 Case w/ (2,000) #8 x 1/2" Screws
308181	1 Case w/ (10,000) #8 x 1/2" Screws
308185	1 Case w/ (1,000) #8 x 3/4" Screws
308182	1 Case w/ (10,000) #8 x 3/4" Screws

## TECHS

Tech Screws drill and tap into heavy gauge applications, such as fastening 16 gauge metal to 1/8" or heavier angles. The forged drill point, combined with special threads, eliminates the need for center punching or pre-drilling holes. Penetration is quick and the assembly is secure.

PART #	PRODUCT DESCRIPTION
308191	1 Case w/ (1,000) #8 x 1/2" Screws
309600	1 Case w/ (2,000) #8 x 1/2" Screws
308187	1 Case w/ (10,000) #8 x 1/2" Screws
308193	1 Case w/ (1,000) #8 x 3/4" Screws
308188	1 Case w/ (10,000) #8 x 3/4" Screws
308195	1 Case w/ (1,000) #10 x 1/2" Screws
308189	1 Case w/ (10,000) #10 x 1/2" Screws
308197	1 Case w/ (1,000) #10 x 3/4" Screws
308190	1 Case w/ (6,000) #10 x 3/4" Screws

## CHUCKS

PART #	PRODUCT DESCRIPTION
308199	1 Package w/ (12) #8 Hex Driver Chucks
308201	1 Package w/ (12) #10 Hex Driver Chucks
308244	1 Package w/ 1 Square Socket Driver
